BIARRITZ

Sea, tradition and a slower pace of life. Biarritz is one of those destinations where time seems to stand still, with its seaside walks, local markets and charming cafés. Here are some of our favorite spots to experience the essence of the French Basque Coast.

THINGS TO DO

Stroll along the seafront promenade to the Biarritz Lighthouse.

Wander through Les Halles market and discover local products.

Enjoy a swim or spend a relaxing afternoon at Plage du Port Vieux.

Stop by the Hôtel du Palais, one of the city's most iconic landmarks.

If you have time, visit Guéthary, Bidart and Saint-Jean-de-Luz, three charming coastal villages.
